

• Smarthinking:
online tutoring
when you need it

Don't let your busy life get the best of you. With 24/7 availability and four different types of online tutoring services, Smarthinking fits into your schedule—*whenever you need it most.*

Check out this [interactive video](#)!

Follow these steps to get started

1. Go to gotoclass.tnecampus.org
2. Select Smarthinking from the Course Resources menu on the right.

The screenshot shows the Smarthinking website with a navigation bar containing: Writing Center +, Tutoring +, Study Aids, Support +, Mary +, and Pearson. The main content area says "Welcome to Smarthinking!" and "I want to ..." with four buttons: Work With a Tutor, Submit My Writing, Submit a Question, and Review My Sessions and Submissions. Below this is a "Work With a Tutor" section with three options: Drop-in Session, Schedule a Future Session, and Ask a Question.

Callout Boxes:

- Writing Center:** Explore additional writing resources, including writing practice materials, assessments and Pearson Writer.
- Study Aids:** Access writers' and ESL handbooks, an accounting glossary, a study guide handbook, and links for additional math support.
- Support:** Get technical support to solve have while using Smarthinking.
- Pearson:** View your profile to change a password, email address, or usage information.
- Submit My Writing:** Send an essay or draft for review. Watch this [video](#).
- Review My Sessions and Submissions:** Find transcripts of past sessions, responses, reviews, or a list of upcoming sessions.
- Drop-in Session:** Connect with a live tutor on demand. Watch this [video](#).
- Schedule a Future Session:** Make or change an appointment for a tutoring session. Watch this [video](#).
- Ask a Question:** Don't have time for a live session? A tutor will respond usually within 24 hours.
- How to Use Smarthinking:** Learn how to use Smarthinking by watching our tutorial [videos](#).
