Search bar **NOT** recommended for use. This option can lead you to the wrong textbook information.

Click here for books, drops to Textbooks, choose your program.

**Important information for TN eCampus Students:**

1. Not recommended to use the search bar for ISBNs or book/Course titles. This bar pulls all inventory in our store which could lead students to the wrong information.

2. Best place to research books is by using the Book tab and the Textbook drop down. Find course and then click on + to reveal textbook information.

3. Best method of communication with the bookstore should be through email (tnecampus@mtsu.edu) Phone calls may go to voice mail but someone will call back eventually. Be patient please.

4. Return policy for each program is listed in 2 locations on the website. Please note the return dates on the website, in your package, and at the bottom of the receipt.

5. Most importantly, view the hours of the store. We are a University bookstore and not open 24 hours.

6. Shipping information (FedEx):
   - Ground does not deliver on Mondays. Next Day and 2nd Day shipping does not deliver on Saturdays. Orders placed at 2PM CST and later may not get processed until the following business day.
